~	Chambers	Serena	181	13:40				

* Running order is based on 2017/2018 OCF Ranking (same method that was used for Local 1). Competitors with the highest ranking will go first. For competitors who are tied with the same ranking in a specific category, the order between them is randomized. For competitors who are tied with the same ranking but were in different categories last season, the competitor who is competing for the 2nd year in their category will go first. All remaining competitors who do not have an OCF Ranking are placed after ranked competitors in random order. Running orders for Provincial Championships will be based on the top 20 rankings used to qualify for the event.
