Running orders start with all competitors with a Provincial Bouldering Ranking from last season, climbing from highest ranking to lowest, and then by all competitors without a relevant ranking climbing in random order (see Section 11.10c in our Rules). If competitors have moved up an age category, their ranking from their old category still applies. If competitors are tied with the same ranking, the order between them is randomized.

For clarity, 2018/2019 Provincial Bouldering Rankings are based on the results from 2018/2019 Provincial Bouldering Championships. Athletes who did not qualify for or attend Provincials are ranked based on the "top 20" rankings used to qualify athletes for Provincials. All rankings are adjusted to remove results of non-residents.

Local 2 Running Orders will be determined first by all competitors with a current Provincial Bouldering Ranking (i.e., results of Local 1 adjusted for non-residents), climbing from highest ranking to lowest, then by all competitors with only a Provincial Bouldering Ranking from last season, climbing from highest ranking to lowest, and then by all competitors without a relevant ranking climbing in random order.
